		pre 97	RD02904*	RD02904*	RD02904*	RD02903*	RD02903*	RD02903*	N/A	N/A	N/A

Note: * Door Opener RD02903 for vans through '96 old body style

IMPORTANT: The appropriate lift for a specific vehicle can be selected only after the floor to ground travel and vehicle door dimensions are known. These measurements should be verified and **not assumed**, since vehicles of the same make and model can have substantially different heights due to oversized tires, heavy suspensions, 4-wheel drive conv., booster springs, raised body kits, etc. If you have any questions please call our Product Support Department (800-322-2884).

POWER SEAT BASE

R1208/R1209	Six-way power seat base, swivel-right	36" Rails
R1208-L	Six-way power seat base, swivel-left	36" Rails
R1208-E	Six-way power seat base, swivel-right	48" Rails
